Wow! What a great ending to another school year – field days, parties and 5<sup>th</sup> grade day tomorrow! Could it have been better? I don't know how when you put a great group of students, parents and teachers together. I am so proud of our students and the progress they made this school year!

As you may recall, we were going to have an LSAC election during Field Days. Well, guess what? It wasn't necessary. Two positions were available and two parents volunteered to serve. So, I am happy to say that Leigh Ann Maloney and Christine Law will be representing you on LSAC next year. The last meeting of the 09-10 LSAC Committee will be at 8:00 a.m. on Monday, May 24<sup>th</sup> at Mittie's. I hope both the 09-10 and 10-11 committees will join me for breakfast as we transition. It should be fun!

Beginning next Thursday, AES will officially be a construction zone. None of us will be allowed in our dear school while it is under renovation. Pam Ferguson, Lisa Hawks, Andy Allison and I will all be over in offices at the Lanier Tech side of Milton Center with our phone numbers remaining the same. If new families move into your neighborhood over the summer, make sure you tell them to come on over to the Milton Center and register. Our office hours will be 8:00 – 2:00 daily.

We do not have the CRCT results at this time. However, once they are available, we will send you an email and you are welcome to pick them up from Milton Center. CRCT results that are not picked up will be sent home with the students in August.

I plan to keep you up to date with AES news throughout the summer. So do check your email and the school website occasionally. It is so exciting all the wonderful changes that are happening to our school. We are only getting better and better!

Enjoy some great family time with your children! And...  
**HAVE A GREAT SUMMER!**

**Have a safe and restful summer.  
Look for updates and news from me all summer.  
Please keep me updated on new email addresses.  
Thanks,  
Pam Ferguson**

### Mark Your Calendar

August 19	Open House—8:30-11:00 Kdgn & 1st grade Curriculum Night
August 23	First Day of School
September 6	Labor Day Holiday—no school
October 11	Teacher Workday— student holiday
Nov. 24-26	Thanksgiving Holidays
Dec 22	End of First Semester
Dec 23—Jan 3	Winter Holidays
Jan 4	Teacher Workday—student holiday

### Thanks for the Great Book Fair!

The Media Center thanks all students, parents and staff for their wonderful support of our “Book Fair Diner – All You Can Read” Book Fair. Thanks to your support, this spring’s Book Fair was extremely successful and the proceeds will be used to expand reading choices for our students and further enhance the Accelerated Reader program.

A big “thank you” to our outstanding decorating team – Lisa Gould and Allie Charlesworth. Thanks to their hard work and creativity, the students were really excited and we were hungry for a Biography Burger and a shake every day. Special thanks Karen Thimsen who scheduled and coordinated our volunteers. We also greatly appreciate all our volunteers who worked so diligently during the Book Fair and kept everything running smoothly. We could not do all we do for the kids without you!

We hope everyone enjoyed visiting the fall Book Fair and got plenty of new reading material for the summer. Thank you for all your support!

On May 4th GS Troop 3028 brought toys, that they selected and purchased with some of the cookie money they earned, down to AFLAC/CHOA in honor of Jacob Moore. The toys will be given to children that are

going through cancer treatments as prizes for being so brave and continuing to fight hard. Jacob was allowed to leave his room for a visit with all of his friends. Jacob has made a huge impact on all our girls and they miss having him in school while he goes through his treatments so they were very excited to be able to see him. The girls also purchased some books and gifts just for Jacob to help him get through some of his treatments.

### First Grade TAG Students’ Projects Move On To International Media Festival

Students in Mrs. D’Amelio and Mrs. O’Brien’s first grade TAG classes have two projects that are award winners. **Nifty Numbers**, a digital storybook and **Rainforest Chatter**, a digital podcast, have won awards at the Fulton County Media Festival and at the Georgia State Media Festival. The two projects will be sent on to the International Festival which takes place in November. Congratulations and good luck at the International Festival!

Thank You

**"Thank You" from your Media Center"**

As our school year comes to a close, what a pleasure it is to acknowledge the invaluable contribution of our volunteers in the Media Center and the Accelerated Reader program. I am grateful for the energy, enthusiasm, and dedication that our volunteers bring to their role. They work tirelessly to support our students and our programs through their gift of time.

I would also like to take this opportunity to express my heartfelt thanks to our parents as well as our volunteers who have generously supported the Media Center throughout the year in both words and deeds.

I wish you all a safe and restful summer vacation and look forward to seeing everyone in the fall.

**If you are looking for Summer activities for your children, come in and check out the display of Summer Camp flyers we have in the kiosk in the front hallway on Friday or Monday and Tuesday of next week.**
